

# *Certificate of Warranty Agreement*

*Future Combustions Systems, Inc.*, hereinafter called the “Manufacturer” warrants the InterCharger, hereinafter called “the Product.”

The Manufacturer offers a 30-day money back guarantee that the product will perform as designed when installed by a certified installer. Exclusions are shipping, handling, and installation chargers.

The product is further guaranteed to be safe for use in the method and applications for which it was designed for up to (3) three-years from date of purchase. The use of the product itself will not void any vehicle or equipment manufacture warranty. Refer to the Magnusson-Moss Warranty Act if any manufacturer claims a warranty loss.

The Manufacturer guarantees to employ every care in the production of their products to ensure reliability and consistently high standards of performance. However, in the event any of their products are found to be defective in material and/or workmanship, the manufacturer’s liability will be limited to the replacement of the product itself.

In the event of the occurrence of damage to vehicles or equipment, which is accepted by the manufacturer to be related to the use of their product and which occurred in spite of the application proven to have been made according to manufacturer’s instructions, the manufacturer’s liability will be limited to replacement of those components directly damaged by the product.
